## 1.1. Introduction

---

This training course is based on the national unit of competency **BSBWHS417 Assist with Managing WHS Implications of Return to Work.**

This unit applies to individuals who assist with claims management, rehabilitation and return-to-work programs.

It describes the performance outcomes, skills and knowledge required to assist with the management of workers' compensation claims, rehabilitation and return-to-work programs.

**NOTE:** The terms Occupational Health & Safety (OHS) and Work Health & Safety (WHS) are equivalent and generally either can be used in the workplace.

The term WHS will be used throughout this training course.
