

CPCCLRG3001 Licence to Perform Rigging Basic Level

CPCCLRG3001 Licence to Perform Rigging Basic Level

[START COURSE](#) [DETAILS](#)

Overview

This online workbook is pre-course material only - you are still required to attend a practical session and successfully complete a practical assessment before you will be awarded a nationally recognised statement of attainment. Take your time and read each section carefully, it might help for you to take notes.

Make sure you answer all of the checkpoint review questions along the way. The results of this will be sent to your trainer as part of your course assessment.

What you will learn

This course is designed to help you understand all of the elements required to Perform Basic Rigging.

3.4 INSPECTING THE COMPLETED WORK

SECTION 2

5.1 INTRODUCTION

1.1 Introduction

Lesson 1 of 150

1.1. Introduction

This training course is based on the National High Risk Licence Unit of Competence CPCCLRG3001 Licence to Perform Rigging Basic Level.

You will learn about:

- Planning out your work.
- Selecting and inspecting equipment.
- Setting up for the rigging task.
- Erecting and dismantling structures and plant.

Before completing this course you must have already finished CPCCLDG3001 Licence to Perform Dogging. This course builds on those skills and knowledge.

1.2.2 Relevant Legislation, Regulations and Work Requirements

All work activities must be guided by and comply with the relevant legislation, regulations and work requirements.

Legislation can be broken down into four main types:

Acts	+
Regulations	+
Codes of Practice	+
Australian Standards	+

When you are planning your work remember to think about:

- **Job or Task Requirements** – Think about everything the job involves such as: What is the job? Where is the job? What do I need for the job? What type of plant or equipment will be used? What are its functions, capabilities and limitations?
- **Priorities or Sequencing** – Break the entire job into tasks and put them in a
