

RIICWM401E Supervise Civil Works

RIICWM401E Supervise Civil Works

[START COURSE](#)

[DETAILS](#) ▾

Overview

This online workbook is pre-course material only - you are still required to attend a practical session and successfully complete a practical assessment before you will be awarded a nationally recognised statement of attainment.

Take your time and read each section carefully, it might help for you to take notes.

Make sure you answer all of the checkpoint review questions along the way.

The results of this will be sent to your trainer as part of your course assessment.

What you will learn

This course is designed to help you understand all of the elements required to Supervise Civil Works.
