

RIIHAN301E Operate Elevating Work Platform

RIIHAN301E Operate Elevating Work Platform

[START COURSE](#) [DETAILS](#)

Overview

This online workbook is pre-course material only - you are still required to attend a practical session and successfully complete a practical assessment before you will be awarded a nationally recognised statement of attainment. Take your time and read each section carefully, it might help for you to take notes.

Make sure you answer all of the checkpoint review questions along the way. The results of this will be sent to your trainer as part of your course assessment.

What you will learn

This course is designed to help you understand all of the elements required to operate an elevating work platform.

SECTION 1

1.1 INTRODUCTION

1.1 Introduction

Lesson 1 of 75

1.1. Introduction

This course is based on the unit of competency RIIHAN301E Operate Elevating Work Platform.

This unit covers the operation of elevating work platforms in the resources and infrastructure industries.

It includes:

- Planning and preparing for operations.
- Working from the platform.
- Carrying out maintenance.
- Cleaning up.

Lesson 2 of 75

1.1.1 What is an Elevating Work Platform?

There are a number of different elevating work platforms (EWPs) available. The height, reach, safe working load, ground conditions and terrain all play a part in selecting the correct EWP for the job at hand.

| | |
|--|---|
| Trailer Mounted EWP | + |
| Self-Propelled EWP with Telescoping Boom | + |
| Self-Propelled EWP with Telescoping Knuckle Boom | + |
| Vehicle-Mounted EWP | + |
| Scissor Lift | + |

This unit of competency qualifies you to gain a nationally recognised EWP yellow card. The card indicates that you have been trained to safely operate various types of EWPs, 11 meters or lower.

A national High Risk Work Licence is required to operate a boom-type elevating work platform with a reach of 11 meters or higher.

The image shows a mobile application interface for a quiz. At the top left, there is a hamburger menu icon. Below it, the text "Question" is displayed in a small font, followed by "01/02" in a larger, bold, orange font. The main question text reads: "Section 1: Question 1a - What does the EWP Yellow Card indicate?". Below the question, there are four radio button options. At the bottom center, there is a grey button labeled "SUBMIT".

Question

01/02

Section 1: Question 1a - What does the EWP Yellow Card indicate?

That you are able to use truck mounted EWPs.

That you are an operator in-training and must be supervised by experienced personnel at all times.

That you have been trained to safely operate various types of EWPs, 11 meters or lower.

That you are allowed to operate various types of EWPs without limitations on height.
