

RIISAM204E Operate Small Plant and Equipment

RIISAM204E Operate Small Plant and Equipment

[START COURSE](#)

Overview

This online workbook is pre-course material only - you are still required to attend a practical session and successfully complete a practical assessment before you will be awarded a nationally recognised statement of attainment.

Take your time and read each section carefully, it might help for you to take notes.

Make sure you answer all of the checkpoint review questions along the way.

The results of this will be sent to your trainer as part of your course assessment.

What you will learn

This course is designed to help you understand all of the elements required to Operate Small Plant and Equipment.

SECTION 1

1.1 INTRODUCTION

1.1. Introduction

Lesson 1 of 65

1.1. Introduction

This course is based on the unit of competency **RIISAM204E Operate Small Plant and Equipment**.

This unit covers the operating of a range of small plant and equipment in the resources and infrastructure industries.

You will learn about:

- Planning and preparing to work with small plant and equipment.
- Choosing and checking the equipment before you use it.
- Using small plant and equipment safely.
- Maintain the equipment.
- Cleaning up after work.

Lesson 2 of 63

1.2 Site Policies and Procedures

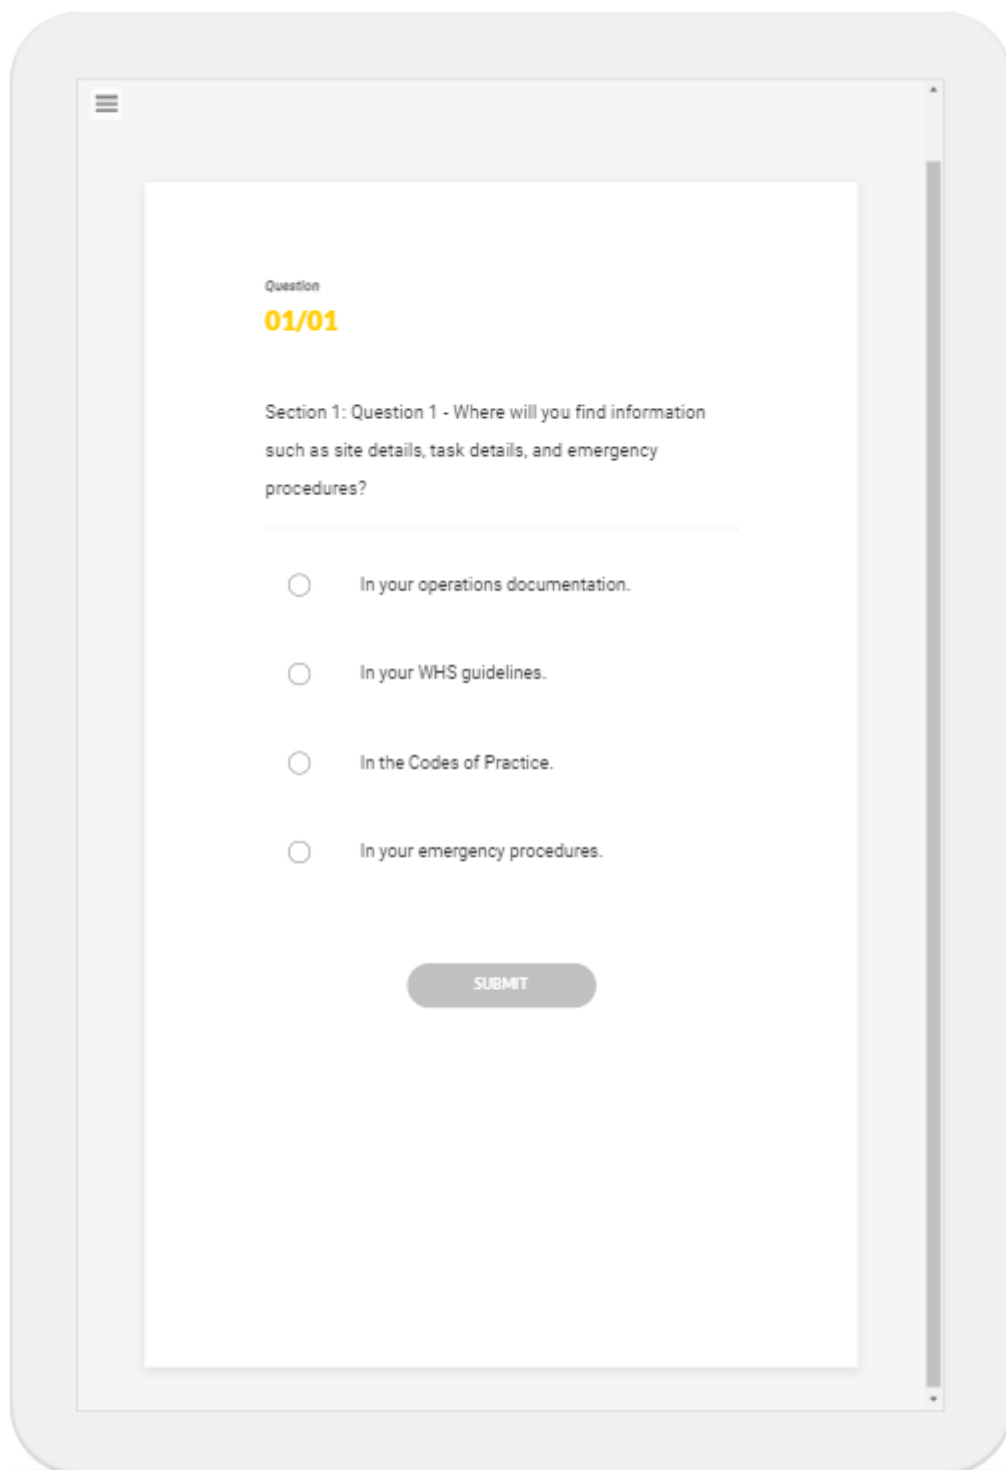

You must follow all safety rules and instructions when performing any work. If you are not sure about what you should do, ask your boss or supervisor. They will tell you what you need to do and how to do it in a safe way.

Before starting your work you need to make sure you have access to all operations documentation for the job. This will help you to do your work in the safest way and make sure all work is compliant.

Operations documentation includes:

Site Details	+
Hazard Details	+
Task Details	+
Faulty Equipment Procedures	+

Question

01/01

Section 1: Question 5 - Select two (2) emergency situations that are generally outlined in site emergency procedures.

- First aid.
- Site access issues.
- Evacuation.
- Limited mobile phone coverage.
- Rain and poor weather.
