

TLILIC0003 Licence to Operate a Forklift Truck Training

TLILIC0003 Licence to Operate a Forklift Truck Training

[START COURSE](#) [DETAILS](#) ▾

Overview

This course is designed to help cover the theory based learning when you are training for your forklift licence. You will still need to undergo practical training and final licence assessment with your trainer before you can apply for your licence.

Take your time and read each slide carefully, it might help for you to take notes. Make sure you answer all of the quiz questions along the way.

What you will learn

This course is designed to help you understand all of the elements required to operate a forklift truck efficiently and safely.

SECTION 4: PLAN WORK

4.1 INTRODUCTION

- 1.1. Introduction
- 1.1.1. What is a Forklift?

Lesson 1 of 79

1.1. Introduction

This training course is based on the National High Risk Licence Unit of Competence TLILIC0003 Licence to Operate a Forklift Truck.

You will learn about:

- Planning out your work.
- Carrying out routine checks on the forklift before you use it.
- Shifting loads safely with a forklift.
- Shutting down the forklift when you have finished.
