### Overview

This online workbook is pre-course material only - you are still required to attend a practical session and successfully complete a practical assessment before you will be awarded a nationally recognised statement of attainment.

Take your time and read each section carefully, it might help for you to take notes.

Make sure you answer all of the checkpoint review questions along the way.

The results of this will be sent to your trainer as part of your course assessment.

### What you will learn

This course is designed to help you understand all of the elements required to Drive a Medium Rigid Vehicle.

SECTION 1
1.1 INTRODUCTION

Lesson 1 of 66

## 1.1. Introduction

---

These materials are based on the unit of competency **TLILIC2015 Licence to Drive a Medium Rigid Vehicle**, and cover the skills and knowledge required to obtain a licence to drive a medium rigid vehicle.

They cover:

- Systematic and efficient control of all vehicle functions.
- Monitoring of traffic and road conditions.
- Management of vehicle condition and performance.
- Effective management of hazardous situations.

Lesson 10 of 26

## 1.2.4 Work Health and Safety Legislation

Work Health & Safety (WHS) laws and guidelines help keep your workplace safe.

These can be broken down into four main types:

Acts	+
Regulations	+
Codes of Practice	+
Australian Standards	+

It is important that you are familiar with the WHS laws that exist in your state or territory. Each state in Australia has its own WHS legislation and regulations that must be followed. Your state or territory may refer to Work Health and Safety (WHS) as Occupational Health and Safety (OHS).
