

TLILIC3017 Licence to Drive a Heavy Combination Vehicle

TLILIC3017 Licence to Drive a Heavy Combination Vehicle

[START COURSE](#) [DETAILS](#) ▾

Overview

This online workbook is pre-course material only - you are still required to attend a practical session and successfully complete a practical assessment before you will be awarded a nationally recognised statement of attainment.

Take your time and read each section carefully, it might help for you to take notes.

Make sure you answer all of the checkpoint review questions along the way.

The results of this will be sent to your trainer as part of your course assessment.

What you will learn

This course is designed to help you understand all of the elements required to Drive a Heavy Combination Vehicle.

SECTION 1

1.1 INTRODUCTION

Lesson 1 of 92

1.1. Introduction

These materials are based on the unit of competency **TLILIC3017 Licence to Drive a Heavy Combination Vehicle**.

This course involves the information and skills required to obtain a licence to drive a heavy combination vehicle including:

- Systematic and efficient control of all vehicle functions.
- Monitoring of traffic and road conditions.
- Management of vehicle condition and performance.
- Coupling and uncoupling of trailer.
- Effective management of hazardous situations.

Lesson 10 of 22

1.2.4 Work Health and Safety Legislation

Work Health & Safety (WHS) laws and guidelines help keep your workplace safe.

These can be broken down into four main types:

Acts	+
Regulations	+
Codes of Practice	+
Australian Standards	+

It is important that you are familiar with the WHS laws that exist in your state or territory. Each state in Australia has its own WHS legislation and regulations that must be followed.

The following WHS legislative requirements will affect the way that you work:

- Australian Standards.
- Industry WHS Standards and Guidelines.

Question

01/02

Section 1: Question 2 – Choose three (3) relevant state or territory regulations that apply to the operation of a heavy combination vehicle.

- Health authority requirements.
- Permit regulations and requirements.
- Roads and traffic authority driving regulations and licence requirements pertaining to heavy combination vehicles.
- Work Health & Safety (WHS) legislation.
- Australian standards.
- Site regulations.
